Dual Enrolled - Facts & Questions

- Courses for Dual Enrollment are completely online.
- In addition to the courses listed above, we offer many 100 and 200 level courses each semester.
- Please note, our summer semester is five weeks shorter than fall and spring. Therefore, it is more intensive in nature. Because of this, we typically recommend students take no more than two courses, if possible.
- Need a specific course? Please contact Dr. Robin Jumper, Academic Dean.
- Need to register? Mrs. Stephanie Orr, our Registrar, is the academic advisor for all dual enrolled students.
