To enroll in education courses of the Teacher Education Division (TEd) of The Baptist College of Florida, a student must have earned 50 hours of undergraduate credit with a cumulative GPA of 2.50 or better and must pass all subsections of General Knowledge Test (GKT) of the FTCE. Also, the student must be fingerprinted for the county in which they intend to complete their field experience and provide proof of this fingerprinting in the form of a badge. The student must submit an application to the TEP and be interviewed and approved by a TEP Admissions Committee (TEP faculty members) as part of their application.

Students who reach their 50<sup>th</sup> hour without a GPA of 2.50 or without passing the GKT may register for education courses with the permission of the TEP Admissions Committee and will be given one semester to improve their cumulative GPA to at least a 2.50 and/or to pass the GKT. Those who do not earn a 2.50 or pass the GKT after this additional semester will not be allowed to continue in education courses and will be advised to change their major.
